Guidelines for Conducting LSVT Research[Click to Expand or Close](#)

After Students are LSVT Certified

There are many opportunities for students to put their LSVT LOUD or LSVT BIG knowledge and training to use before graduation.

Delivering Supervised LSVT LOUD or LSVT BIG Treatment

Once students are certified in LSVT LOUD or LSVT BIG, they can offer the treatment protocols to patients under the supervision of **LSVT Certified Clinical Instructors/Clinical Supervisors** and in accordance with their state practice acts, professional regulations and insurance regulations.

Using LSVT LOUD or LSVT BIG in Research

この見出しの下の方に、学生認定⇒正式認定 変更手続きの説明があります。
以下の手順で、国家資格取得の申請と正式認定への変更手続きを行ってください。

Conversion from Student to Professional Status

In order to receive your professional LSVT® certificate and be registered as an LSVT Certified Clinician in our LSVT Global Clinician Directory, you must:

1. [Click here](#) to complete the student to professional form.
2. Provide proof of graduation; a scanned copy of your diploma or transcript is acceptable. Once you submit the form you will receive an automated email. You may respond to that email or send an email directly to info@lsvtglobal.com with your proof of graduation and/or applicable license attached.
3. Log in to your Clinician Account to update your employment and other pertinent information, including whether you would like to be listed in the LSVT Certified Clinician directory.
